THANK YOU FOR YOUR SUPPORT AND PRAYERS

Thank you so much for your generous donation to Mr. Nathan Lati! We truly appreciate your commitment to help someone with their Medical Treatment Appeal.

With your help, we've been able to raise around K4,000 to this date. We couldn't raise that amount of money without you!

Nathan's employer has committed K11,300 to pay for his surgery here in Port Moresby cancelling his initial referral to Kundliawa, Simbu province. As per advice from his Doctor, he still needs to do an MRI scan before his surgery.

Your contribution will make it possible for Nathan do the MRI scan and to cover for any other unforeseen expenses that he may incur during this time. MRI scan is also expensive.

We will further update you on the status of his condition from time to time.

Once again, thank you for your generous donation. Please keep Nathan in your Prayers at this juncture.

Best Wishes,
Team - On behalf of Nathan Lati
